[The Fifth Freedom, Noam Chomsky interviewed by Stephen Marshall](#)

'The **Fifth Freedom**', Noam Chomsky interviewed by Stephen Marshall (November, 2001)
[www.chomsky.info/interviews/200111--04.htm](#) - [Cached](#) - [Similar pages](#)

Noam Chomsky: *The Culture of Terrorism*

Tom Clancy is predated in 1998 by [Noam Chomsky](#), who proposed a similar concept of the **Fifth Freedom** which also alludes to Roosevelt's "[four cornerstones of American moral thought](#)", and is explicated in the following quote:

"The central--and not very surprising--conclusion that emerges from the documentary and historical record is that the U.S. international and security policy, rooted in the structure of power in the domestic society, has as its primary goal the preservation of what we might call the 'Fifth Freedom,' understood crudely but with a fair degree of accuracy as the freedom to rob, to exploit and dominate, to undertake any course of action to ensure that existing privilege is protected and advanced."
 -- from *The Culture of Terrorism*, 1998 Noam Chomsky

Chomsky's concept of the 'fifth freedom' is actually first explained in his 1987 book 'On Power and Ideology: The Managua Lectures'.

Norman Rockwell: [Four Freedoms paintings](#)

President Roosevelt's Four Freedoms speech inspired a set of four paintings by [Norman Rockwell](#). The four paintings were published in [The Saturday Evening Post](#) on [February 20](#), [February 27](#), [March 6](#) and [March 13](#) in [1943](#). The paintings were accompanied in the magazine by matching [essays](#) on the Four Freedoms.

OURS...to fight for

FREEDOM FROM FEAR

In an address also known as the **Four Freedoms speech**, Roosevelt enumerated four points as fundamental freedoms humans "everywhere in the world" ought to enjoy:

1. [Freedom of speech](#) and expression
2. [Freedom of every person to worship in his own way](#)
3. Freedom from want
4. Freedom from fear

His inclusion of the latter two freedoms went beyond the traditional American Constitutional values protected by the [First Amendment](#), and endorsed a [right](#) to economic security and an [internationalist](#) view of foreign policy that have come to be central tenets of [modern American liberalism](#).

[Ninth freedom](#)

The right to carry passengers or cargo within a foreign country without continuing service to or from one's own country.

Sometimes also known as **stand alone [cabotage](#)**.

Pan Am had many flights to/from West Berlin to cities in West Germany from the 1950s to 1990s, which did not continue on to other destinations in the U.S. However, this example may be a hangover from Berlin's occupied status since only the occupying powers (and thus no German airlines) were allowed to fly to Berlin. PanAm also flew 737s from London to Berlin up to the 80s.

About Download

Be safe! Free emergency warnings and alerts on your PC.

Download is 4 MB and has a small footprint on your desktop.

Receive the following warnings and alerts on your PC:

- Homeland Security Status
- Local Emergencies and Hazards
- Flash Floods
- Tornado Watch
- Winter Storm Watch

Also available: Radar & Satellite Views, 3 or 7 Day Forecasts with 7 or 12 Hour Views.

When the alert box is minimized, an icon and current temperature shows in system tray.

85 °F

Roll over the temperature in the tray and a balloon appears with current weather data.

The same info displays if you roll over the alert box.

Olathe, New Century Aircenter

Temperature.....75 °F
 Heat Index.....74 °F
 Wind Speed.....8 mph
 Wind Direction.....SSW
 Barometric Pressure...29.89 S
 Humidity.....94 %
 Dew Point.....73 °F
